

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 900 – SB 1332

February 12, 2021

SUMMARY OF BILL: Changes, from seven to five, the number of calendar days before or after a registered sex offender's birthdate within which he or she is required to appear before the designated law enforcement agency for annual verification.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 40-39-204(c), once a year, all sexual offenders are required to report in person, no earlier than seven calendar days before and no later than seven calendar days after the offender's date of birth, to the designated law enforcement agency to update the offender's fingerprints, palm prints and photograph, as determined necessary by the agency, to verify the continued accuracy of the information in the Tennessee Bureau of Investigation registration form and to pay the specified administrative costs.
- Reducing the timeframe by two days before and two days after will not meaningfully impact total violations and will not significantly increase state or local expenditures.
